*****The above estimates are not guaranteed, they are reasonable projections based on present factors.**

**Work study jobs are not calculated into the projected award because the student may not work, but if they do, money can help pay personal expenses.

* Merit scholarship criteria is different for each college. Some colleges do NOT offer merit money. Awards are determined by the Admissions Committee not the financial aid office. If this is a possible award letter, it may include scholarships that your child may be given from college regardless of your need as determined by your EFC. Reminder: Colleges that offer MERIT scholarships may have deadlines for them!
